Note:
Screening results and notes from attempts will be documented on the *OAE Hearing Screening Form* and FES will communicate with family at each level of screening, documenting in ChildPlus.

WCMCA Head Start Developmental and Social Emotional Referral Form should accompany referral recommendation with reason for referral described in *developmental screening* section. Health Supervisor will help coordinate with hearing professional/audiologist, if needed. If parent declines referral, FES will indicate on referral form.

**"Conditioning"*- refers to preparing child for screening.
(listening games, practice with/without headphones, gentle tugging on ear lobe/inspecting ear)

**"PCP"*-refers to Primary Care Provider
