Participant Name: _____ **ChildPlus ID:** _____

Date Completed: _____ **Case Worker:** _____ **School Year:** _____

Scoring Legend: 3.0 Strength 1.0 Concern
2.0 Adequate

Assessment Item	Initial Score	Second Score
Family Well-Being		
Food & Nutrition		
3-Strength: Can choose to purchase any food that household desires and can meet basic food needs. 2-Adequate: Makes it through the month, may need occasional food support. 1-Concern: Has limited food or runs out of food by the end of the month. Needs assistance regularly such as food support or food backpack, etc.		
Housing		
3-Strength: Own or rent in a safe, stable environment that suits needs/preferences and is able to pay utilities. 2-Adequate: Semi-permanent, relatively safe/secure, mostly able to pay rent and utilities, minor landlord problems, some rental help from agencies or Section 8 housing. 1-Concern: Homeless or living with family/friends in an unsafe or crowded environment. Seeking permanent housing.		
Financial Stability		
3-Strength: Reliable income, able to pay all bills and meet financial goals. Good credit. 2-Adequate: Meet basic needs and manage debt without assistance, able to budget, credit is OK. Sometimes needs assistance. 1-Concern: No money or income. Not able to meet basic needs. Relies on assistance consistently.		
Family Health Insurance		
3-Strength: All members are covered by affordable, adequate health insurance and can get medical care when needed. 2-Adequate: Some household members have medical coverage. Medical or dental care needs may strain budget. 1-Concern: No medical coverage. Cannot pay for or doesn't seek medical or dental care when needed.		
Transportation		
3-Strength: Transportation is reliable, affordable, insured and always available. Have driver's license. 2-Adequate: Transportation is generally available when needed to meet basic needs. Have driver's license. Able to pay for some repairs (sometimes with assistance). Can generally afford gas. 1-Concern: Transportation may be available but is unreliable, unpredictable or unaffordable. May have no car or license.		
Mental Health		
3-Strength: Effectively manages everyday stressors and challenges. Maintains a generally positive and hopeful outlook. Has the ability to seek mental health support when needed. 2-Adequate: Experiencing occasional emotional distress but can usually cope with everyday life. May be on medication or receiving mental health services. 1-Concern: Mental health issues are causing problems in dealing with family relationships and responsibilities, some days are really difficult. Help is needed.
